

**WHY
US?**

Our Clients Say It Best:

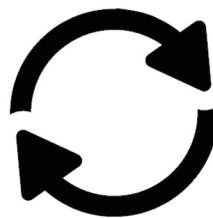

We looked at other systems from other vendors and felt that tailoring the system to our exact needs was not the priority for some of the vendors, at least not without a hefty price tag. Nth Degree not only gave us their word that they would meet our needs, they delivered what they promised.

- IT Director, AM Law 200 Firm,
300 lawyer firm with 575 users

The entire team has been amazing through the complete process. They are extremely responsive and always willing to accommodate our specific needs. Our Firm is very pleased with the product; it is very intuitive, easy to use and has streamlined our processes. I cannot recommend them enough!

- Chief Information Officer,
400 lawyer firm with 1000+ users

Nth Degree Technologies has developed the leading software platform, Matter Expert, that seamlessly integrates with legal financial systems to streamline tedious and time-consuming workflow processes with solutions for:

**EXPENSE & ACCOUNTS
